**\* Register and pay by the dates noted at left to receive this discount.**

**We are redeeming our pre-purchased PIRA University Passes:**

Number of passes to be redeemed: \_\_\_\_\_

- I'm interested in purchasing a package of PIRA University passes.

I have read and agree to the PIRA University terms and conditions as stated below.

The course registration fee includes one copy of the seminar textbook; seminar instruction; and breakfast, coffee breaks, and lunch on both days. Seminar participants are responsible for their own travel arrangements and hotel accommodations and costs.

Seminar registration may be transferred to a substitute attendee upon one-business-day advance notice emailed to seminar@pira.com. If attendance is canceled for any reason at any time after registration, the registrant is responsible for the full seminar fee. Registrants who do not provide a substitute and do not attend a seminar may choose either a) to receive one copy of the seminar textbook as fulfillment of their purchase, or b) to transfer their registration to a similarly priced seminar (space permitting) within 12 months for an additional \$500 attendance fee.

All materials are copyrighted by PIRA Energy Group, Inc. No recording or other reproduction of any kind is permitted. PIRA University seminar textbooks are not available in electronic format.

In the unlikely event of cancellation by PIRA, registration fees will be refunded in full, and PIRA shall have no further liability.

## What seminar participants are saying about PIRA University:

“Extremely insightful. You are learning from highly experienced ‘oil men’ who are undoubtedly experts in each of their respective areas. I am impressed.”

**Soh Mey Lee, Strategy & Portfolio Manager, PETRONAS**

“These were two days of the most powerful and informative lectures I have experienced. They provided in-depth coverage of the topics I needed to transition to an oil/gas trading and refining company.”

**Stewart Goodwyn, Enterprise Risk Manager**

“Extremely informative oil and gas sessions taught by highly experienced industry professionals.”

**Donna Nairi, Associate, RBS Sempra Commodities**

“PIRA’s seminar illustrated new ways to analyze markets. It also provided the opportunity to meet people at other companies with the same worries and concerns about what is happening in the market.”

**Ademar Braz Barnabe, Planning & Control, Nansei Sekiyu K.K.**

“This is one of the best seminars I’ve ever attended; very clear and with deep explanations of the main crude oil market topics. I think it will help me a lot in my work.”

**Vicente Garza, P.M.I. Comercio Internacional, S.A. de C.V.**

“The seminar provided the latest economic information necessary for short- and long-term price evaluation and project planning. I like the textbook, which provides all the slides and information from the seminar.”

**Napaporn Lacharochana, Supply & Planning, Star Petroleum Refining Company**
